Thin-Film Transistor
Conference

March 27~29, 2024
KAIST, Daejeon, Korea

Sponsorship Prospectus

Welcome Message

Dear Colleagues,

We sincerely welcome you to the **18th International Thin-Film Transistor Conference (ITC 2024)**, which will be held at KAIST in Daejeon from March 27th to 29th, 2024.

ITC is the most prestigious international conference in the field of Thin-Film Transistor, which is held every year from all around the world. The purpose of the ITC is to create an informative environment where attendees can engage in fruitful discussions, latest findings and experiences in the field of thin-film transistors (TFTs).

We are sure ITC play a crucial role in fostering collaboration, promoting innovation, and advancing knowledge in thin-film transistor technology.

We thank you for your contribution and participation in advance and look forward to meeting you in Daejeon which is city of science, Korea.

Sang-Hee Ko Park
Chair of ITC 2024
Professor, KAIST
